Notice for Submission of Research Projects Interdisciplinary research

According to decision no. 5 made in the 539th meeting of the Syndicate convened on 14/10/22
2023-2024(First Call)

Dear Colleagues,

This is to inform you that all interested faculty members at the University of Chittagong are required to submit the research project (Interdisciplinary research) proposal application form individually or collaboratively based on the research areas according to the categories shown below from the 'K'/A category to the 'CHA'/F category. Three hard copies of the application form are to be submitted to the Research Cell Office through the recommendation of the Chairman/Director of the respective department/institution by 21/05/23. Prospective researchers must follow the terms and conditions of the research proposal in preparing the application form. It is essential to mention here that in order to conduct the Plagiarism Check for the proposed research project, a soft copy of the project proposal must be submitted to the office by email (research.publication@cu.ac.bd). According to clause 20 of the research policy, the final report of the research project must be completed within nine months of being awarded the research project. Areas (categories) of the research project are determined in six phases. The category must be mentioned on the cover page when submitting the project. Research projects will not be accepted without mentioning the category in the research project proposal. The research project proposal must be limited to a maximum of 3 (three) thousand words and the research report must be limited to a maximum of 15 (fifteen) thousand words. *Projects involving collaborative efforts on various areas of science, biological science, engineering, Social science are particularly encouraged for submission and awarding grants. A maximum grant of 80,000 USD will be awarded for each research project.*
