Memo No. IFES/CU/RA/MMH/IUCN/2023

Date : 15 October, 2023

## Advertisement for Research Assistant (RA)

**Project:** “Water scarcity and water stress faced by water user groups in Cox’s Bazar Area” with IUCN funded by FAO

For the project mentioned above, Twelve (12) Research Assistants (RAs) are will be appointed to collect water samples, analyze water samples in the lab and conduct a KOBO-toolbox based Social survey on water scarcity and water stress in Cox’s Bazar area from October 15 to November 15, 2023.

Interested candidates are encouraged to apply considering the following terms and conditions:

- The applicant must be a current research (MS) student of Environmental Science or Forestry at the Institute of Forestry and Environmental Sciences, University of Chittagong (IFESCU).
- The student must not be in any full-time or part-time job at the time of the assignment.
- The applicant must be fluent in Chittagonian dialect.
- Ideal candidate should have experience on collection, management and analysis of water samples.
- Fluency in English writing and experience in using KOBO toolbox survey app is preferred.
- Experience in collection, organization, and management of data will be considered favorably.

### Remuneration Package:

- The applicant will get BDT. 1000/- per man-day (8-hours) of involvement.
- The applicant will be reimbursed for expenditures incurred for project completion, such as conveyance, stationery, etc.
- The transportation and accommodation related to the field work will be covered from the project.

If you are interested, please send your updated CV to the undersigned by October 1, 2023.
